22nd March 2020

Dear Parents/Carers

This afternoon the IOM Government announced the closure of schools at 3.30 tomorrow for most children.

Bunscoill Rhumsaa will be open tomorrow and all children in school will be bringing home a home-learning pack and a letter about what home learning will look like over the coming weeks.

Further information with regards to key workers children will follow on Monday. As a school with a Special Unit we will remain open to cater for the most vulnerable children and those of key workers.

If your child is not in school tomorrow and you are practicing social distancing you can pick up a pack from the foyer in the Junior building from after 12 noon tomorrow. If you can pick up for other pupils and drop off please do.

Please consider school tomorrow. If you as a parent feel it is in your, or your child's best interests to keep your child at home, then we fully understand and support your decision.

If you have not shared your email address with us please email the school office letting them know what it is so that we can send any future home learning out to you. The email address for the office is RhumsaaEnquiries@sch.im

Thank you to all our parents and carers for the ongoing support, kind words and understanding during this very challenging time for all of us.
